The "Motley Crew"

History Of The Senior Class

In the fall of 1994, the class of 1998 entered the corridors of SHS with anxiety, anticipation, fear, and curiosity. All we knew was that the next four years would hold much for us. We will accomplish our four years of academics, make life long friendships, and learn valuable life lessons.

FRESHMAN YEAR

Our first year at SHS was a year of constant learning. We began by electing class officers; President: Julie Staffieri, Vice President: Nicole Morales, Secretary: Jasmine Bell, and Treasurer: Angela Zajac. Along with our officers were our advisors, Mrs. Staffieri and Mr. Winters. Our first big decision was what we were going to do for the Thanksgiving Rally. We decided on the Red, White, and the Twelve Pioneers. We came in second for our poster and skit. With this boost of confidence, we knew we could overcome any obstacle that stood in our way.

SOPHOMORE YEAR

We entered our sophomore year at SHS with anxiety, anticipation, and curiosity, now gone. We again elected class officers; President: Tok Bouphasaysonh, Vice President: Oscar Rivera, Secretary: Stephanie Madore, and Treasurer: Jon Julian, but he left for Bay Path and Elpida Kamizirides took over. We were one of the fortunate classes at SHS to go through another year with the same advisors. Before we knew it, it was time for the Thanksgiving Rally again. We put our heads together and decided to play out the big trial of the year, the O.J. trial. With the disqualification of seniors, we took 2nd place for our skit, and 1st for our poster. This was a big year for fundraising; we were the hosts for next year's prom. We began by selling posters, a huge success, then towels, not that great. Hey, some of you still owe us money. Well, we ended the year by planning for our dough booth fundraiser for the 4th of July fireworks. This too was a great success and really helped for the expenses of the prom.

JUNIOR YEAR

Finally, upperclassmen. Our curiosity of what was in store for us had depleted. Anxiety and anticipation was all that was left. We had to elect class officers again with President: Oscar Rivera, V.P: Nicole Morales, Sec: Steve Prymack, and our Treasurer, stayed the same: Elpida Kamizirides. We were now down to one advisor, Mr. Winters. We were looking forward to a year of relaxation and fun; but our expectations were wrong. We had a lot of planning to do for the prom. Our Tuesday morning meetings were now getting hectic and frustrating. We had so much to do, and so little time. Everything from football concessions to our dough booth. Time for that rally again. We decided on Romeo and Juliet, starring out hot babes, Maldo as Juliet and our stallion Homer as Romeo. We got disqualified for our original party in the woods, but needless to say, our skit was the best. Finally, time for the Prom "A Night of Paradise". We again ended the year by planning our annual fried dough booth, that didn't go too great. Frozen dough doesn't work that well.

SENIOR YEAR

Wow, we made it, so far. Our anticipation now came over our anxiety. This is now our last year and we all came back to claim our rightful place as seniors. It soon came time to elect our senior class executive board, the four people that will carry out our most important rights as seniors. Class trip, Spirit of Boston, etc. We again elected Oscar Rivera as President, Nicole Morales for Vice President, and Elpida Kamizindes as treasurer. We elected a new secretary, Tok, figuring she would take better notes (we mean, notes at all) than Stevie. We ended up losing our advisor Mr. Winters, but gained a great one in return, Ms. Eichel. We started off the year with the Grand Opening of the School store. Then came the Halloween Hall Wars, which we were so confident we were going to win, until all the other classes copied us. We had everything from cornstalks to scarecrows, and even a light up ghost. This was the beginning of the bond that our class will forever hold on to. Our Thanksgiving Rally theme this year was SHS 01550, our best yet. We can't forget the incredible acting from Laura who bequeathed upon Richards Rhetoric, Rhetoric, Rhetoric. We can't leave out our famous Senor (Oscar) and his Buster Brown. Our infamous food fight was the best. We placed first in every category except our skit needing to be that the Juniors deserved to win something. We say good-bye to S.H.S., never forget us!
